PLAN LECTOR IDIOMA EXTRANJERO

Estimados Padres de Familia,

Todos nuestros libros de texto del plan lector fueron cuidadosamente seleccionados de acuerdo con nuestro currículo, además del nivel y necesidades de nuestros estudiantes.

La gran mayoría de las actividades de estos textos son evaluadas de forma individual; por tanto cada uno de los estudiantes debe tener su propio material.

Es recomendable adquirir los textos en las fechas indicadas por los docentes con las editoriales correspondientes, ya que los textos son importados y las cantidades limitadas. Además también se recomienda mostrar el carnet del estudiante para obtener el descuento por ser estudiante del colegio.

Por último, cabe recordar, no adquirir ninguno de los textos hasta que el estudiante sepa en qué módulo quedó ubicado.

Reciba nuestros mejores deseos,

Departamento de Idioma Extranjero

READING PLAN 2018

Dear parents:

All books from the Reading Plan were carefully chosen according to the institutional curriculum to fulfill students' needs and level.

Most of the activities included in these readers are to be graded individually; therefore each student must have its own requested material.
